### FROM YOUR DENTIST

*"If you can dream it, you can do it."*  
Walt Disney

For Brea and me, **Pazmino Dentistry** is a dream come true.

*Dr. Pazmino*

We wanted a practice in which patient relationships are a priority, care is personal, service exceeds your expectations, and *phenomenal* is the norm.

Last May, when we became the proud owners of this wonderful practice, we began living our dream. We have since had the opportunity to meet many of you, who were patients and friends before we came. In the months and years ahead we hope to see our established patients and meet lots of new friends too.

I'm pleased to announce that my wife, Dr. Brea Pazmino, is now also seeing patients in our practice.

We had a great trip to the American Dental Association (ADA) meeting in Denver recently. We took several advanced CE courses, including the latest techniques in implant dentistry and esthetics to help us help patients get the look and function they desire.

We also visited the fabulous Rocky Mountain National Park and Estes Park. Wow!

I am so excited about the year we've had and the year ahead. It's almost too good to be true. But if I'm dreaming, please don't pinch me!

*Dr. Manuel Pazmino, Jr.*

## Kudos!

Congratulations to Drs. Manny and Brea Pazmino as the new owners of Pazmino Dentistry. With less than a year in their own practice, they are off to a great start.

"We are so thankful to Dr. Gates and to our fantastic hardworking dental team," say the Pazminos. "We have the best dental team on the planet and our patients are right up there with them."

*Drs. Manny and Brea Pazmino attended the October ADA meeting in Denver. They enjoyed the vistas and a variety of advanced CE. "We learned a lot," he says.*

*"The best dental team on the planet" poses in their new Pazmino Dentistry scrubs with Dr. Gates and Drs. Pazmino.*

*Kudos to Dr. Gates who served as Texas Division President of the International College of Dentistry during the October ADA meeting in Denver. He and Cathy also enjoyed the majestic scenery in the area.*

*Sherri won a pumpkin decorating contest held by a local orthodontic office. Her amazing creativity is boundless. Congratulations Sherri!*
